

DOLORES MINES CO. REBELS BY THE REBELS

Force the Store Management to Give Up Many Thousands of Dollars' Worth of Goods—All Mules of the Company Are Taken and Concentrates Dumped in the Trail—Madera Under Martial Law.

Dolores Mines Camp, Chihuahua, Mexico, July 20.—(By Messenger to Madera, Chihuahua, Mexico, July 23.)—Rebel forces, under command of Gen. Campa, entered this camp Friday afternoon. The garrison of the Maderista army, under command of Alfredo Inocencio, retired upon the approach of the enemy, after firing a few shots, which resulted in killing a rebel captain and slightly wounding three others.

The slight resistance offered angered the rebel commander and, coupled with the belief that the Maderista garrison had been in the place for some time, he decided to make the situation particularly bad for the latter company's branch store, which was completely gutted of its stock valued at \$5000. The company's safe was blown open and something more than \$5000 cash taken. The big store was not looted but heavy drafts were made upon it in the form of orders for supplies, issued by the commanders.

Pedro Chienega, suspected of being a Maderista spy, was executed by order of Gen. Campa. Every pack mule found on the trail was seized by rebels, the cargo of concentrates unloaded and the mules brought to Madera. The Americans in the camp are in a panic, and anxious to get away and will go as soon as an order can be secured to carry the women and baggage to Madera.

The mine is closed and will remain closed till peace is restored.

A messenger leaves Dolores this (Sunday) morning for Madera in an effort to get this and other dispatches to be telegraphed from Madera.

News From Dolores.
Madera, Chihuahua, July 23.—A messenger from Dolores, conveying dispatches from the manager of the Dolores mine and others arrived in Madera at 5 o'clock Monday afternoon. He left Dolores Sunday morning, coming over the trail on foot, his mules having been commandeered by rebels, who captured the town and the mine.

He passed "Che Che" Campa's command at 3 o'clock Monday morning at Chihuahua, about half way between Dolores and Madera, and says the rebels were strung along the whole length of the trail from Dolores to Madera. He was not molested, nor was any attempt made to search the mail.

Pescado.
Gen. Orozco wired Col. Bermudez late Monday night naming him jefe de las armas, of Madera, until Col. Castaneda

shall arrive and especially instructs him to prevent del Campo from enforcing his demand that Americans give up arms, or in committing any other depredations upon property or foreigners. He expresses his gratitude for what the Maderista company has done for the revolutionary forces, and regrets that he or any of his employees should have been annoyed by del Campo and his men.

All Women Leave.
The exodus so far as foreign women and children is concerned, totals almost 100 percent. It is said. The train also carried many Mexican women and children of the Dolores mine, including the passenger list of the special train. All of its foreign passengers, including being among the refugees, Dr. Commins and Dr. Butler of the hospital at San Luis, who are moving along the line, are being taken to Madera.

The big institution is now under care of Dr. S. H. Newman, who is looking after Mexican patients, mostly wounded or sick revolutionists. This is the second time in six months that the women and children have been sent out of Madera because of threatened danger from revolutionists, the first being in April, when they were sent to San Luis. The president Taft warned all Americans out of the trouble zone.

Late Monday afternoon Col. del Campo sent an order to the office of the Dolores mine, with a demand in the name of Orozco for all arms and ammunition to be turned over to him. He refused. A meeting of officers of the company was called and a messenger was sent to Gen. Campa, asking for necessary steps to prevent del Campo from attempting to confiscate arms or holding Americans in any way. That Col. Jose Bermudez be authorized to take the necessary steps to prevent del Campo from attempting to enforce his demand.

Town Well Guarded.
The message was sent Orozco by Col. Bermudez and a reply, Col. Bermudez ordered the foreign quarter of the town to prevent del Campo's forces from entering. Nothing is being done by officers of the Dolores mine and by Col. Bermudez, who is looking after the town, which will surely follow any further attempt to enter American houses to search for arms.

Col. Gamboa with 200 men left Madera Monday afternoon for Ocampo by way of Temoschic.

ARREST OF ONE OF REBEL LEADERS

Man Who Is Said to Be Planning to Unhobble Orozco, Is in Jail.

An echo of the arrest of Emilio Vasquez Gomez in San Antonio was the arrest of Paulino Martinez in El Paso Monday afternoon on the charge of being implicated in a conspiracy to set on foot a military expedition against Mexico, a charge which Martinez is said to have been Orozco's chief secretary at one time and also to have been collected in the city of Juarez. He was arrested at 1503 Wyoming street, where he was making his home for the present. Martinez was considered one of the big men of the revolution and he is said to have taken the side of Vasquez Gomez against Orozco at the time the revolutionary president was uneaten in Juarez.

At the time of Martinez's arrest by deputy marshals upon information furnished by the department of justice slouches, a large quantity of letters and other papers were taken from him. These are said to have been of great importance in the plot to overthrow Orozco, take the revolution away from the leaders and concentrate it in Mexico City as the ultimate goal.

His bond was placed at \$3,000 at the request of the department of justice, which claims to have more evidence against him. Being unable to give the bond he was taken to the county jail. His hearing will be held Thursday.

Suit is to be filed against the department of justice slouches in El Paso to compel them to deliver information personal papers which were taken from Gonzalez. The suit is to be filed by his first attorney. The papers contained articles of personal value and, through his attorney, he will endeavor to recover the papers taken from him by the officers.

REBELS TO AMBUSH THE FEDERAL TROOPS

Will Attempt to Hamper Their Advance Westward From Chihuahua City.

(By Associated Press.)
Juarez, Mex., July 23.—Ambushes of the federal troops just south of Matachi, 42 miles south of Madera, may be expected by Gen. Huerta when he moves his force north from La Junta, 35 miles from the city. Gen. "Cheche" Campa's force has been united with that of Col. Alfredo Castaneda and the strategic point in the numerous canyons that parallel the railroad. Col. Castaneda, who will be in command, will leave here today for Matachi with instructions not to move westward into Sonora, but to remain until the federal army appears and to harass them in every possible manner, but not to offer resistance long enough to give the enemy the opportunity to utilize the artillery which has repeatedly driven the rebels back. The railroad between Madera and Matachi will be cut to delay the federal advance.

Reports from Madera indicate that order had been restored and little fear of a repetition of the looting of Saturday night is felt.

PAYING TAXES ON MINES IN MEXICO

Relative to the matter of taxes on mines in the revolutionary zone, an announcement is made from federal sources that all that is necessary to do to retain title to a mine is to register the property with the nearest Mexican consul, with a statement that it is in the rebel zone and taxes cannot be paid to the proper federal official. As soon as the federal officials are restored to office, the taxes may then be paid. It is stated, and the owner's title will be clear.

Washington, D. C., July 23.—President Taft's love of the automobile was appealed to today by representative Rucker, of Colorado, who asked the president to issue an executive order to permit motor cars in Yellowstone park and other national playgrounds.

SAYS REBELS DESERVE REPEL

Battle Reported South of Hachita, Near Palomas Cattle Company Ranch.

REPORT TO THE MEXICAN CONSUL

That the rebels are fast deserting to the United States, without ammunition and in rags and almost starving, and that the federalists are rapidly taking control of the country south of there, is a report sent to Mexican consul E. C. Latorre in El Paso today by one of his agents at Hachita, N. M. The agent quotes an American official of the cattle company as authority for most of his information. The report to the consul

states that the rebels, numbering 700 men, under Gen. Blanco, occupied a place, called Ojita, near the ranch and have control of the country west and as far north as the line. There are also 500 federalists in San Luis, who are moving along the line and a little to the northwest of Ojita.

He also states that there is another big bunch of federalists further south, of about 1500 men, at Los Barras, and that there are a number of Yaquis following in the rear.

They are nearly all mounted, and without exception they have plenty of weapons and enough provisions to last them three months and buying all the meat they use.

When the federalists came into Ojita they surprised the rebels, who did not know they were coming. They had a brush with them and drove the rebels out, capturing most of their arms.

According to the American's story told here tonight to three United States army officers and myself, the rebels are up against it very hard for ammunition, as all of those he saw, not one had a full belt of cartridges, most of them having from five to 15 in their belts. They offered him and his men credit on tax receipts for all the ammunition they could get and are up against it for funds.

The rebels are deserting very fast, as the American states, and are being passed the ranch in twos, threes and fours without guns, money or clothing and almost starved, headed for the United States line.

Three wounded rebels came into Columbus yesterday, all badly shot. Without money, clothes or anything else, they were being passed the ranch in twos, threes and fours without guns, money or clothing and almost starved, headed for the United States line.

I asked the American about this looting on the part of the federalists and he denied making any statement to that effect, stating that the federalists were not even issuing receipts, but were paying cash for everything they used or appropriated. He said that the rebels were being received with open arms by the people in the section from which he came.

He also asked him about the ammunition smuggling in the section where he is and he states that he nor his men have even seen a pound of powder through their ranch in over a month.

STRIKERS GIVE CASE TO THE GRAND JURY

Claim the Company Is Trying to Prevent Them Joining Union.

Boston, Mass., July 23.—Having gained what they look upon as a technical victory before the state board of conciliation and arbitration, the strikers yesterday brought their case against the Boston Elevated Railway company today presented their alleged grievances to the grand jury at the invitation of district attorney Pelletier.

The district attorney also summoned before the grand jury the president of the company, William H. Hall, and two of the directors, James Prendergast and James L. Richards.

The evidence was sought in connection with the case of the strikers, who are charged with coercion and perjury made against some of the road's division superintendents. In a report issued last night the state board of conciliation and arbitration held that the strikers were justified in believing that the company was using force to break down the union.

The grand jury was told that the strikers were due to the activity of the men in organizing a union. The division superintendents, in their testimony before the board, denied that the strikers were using force to break down the union.

Mr. Pelletier said the grand jury had been given a full and complete picture of the case, which prohibits the coercion of any employee from joining a labor union. The investigation is expected to continue for several days.

ROOSEVELT DECLARES THIS IS WHAT THE NEW PARTY WILL BATTLE AGAINST

MAKES FIRST SPEECH IN NEW CAMPAIGN

New York, July 23.—In his first speech since he returned from Chihuahua, Col. Roosevelt today set forth his reasons for leading in the formation of a new party. His address was delivered at a meeting of the New York state county chairman of the National Progressive party.

Col. Roosevelt did not intend to speak, he declared, but the chairman of the new party, which is to stand for squared democracy, which is to be literally the party of the people.

Will Be Party of Live Issues.
"It will fight on live issues and not dead ones. It will embody a protest against the corruption in both of the old party machines. It will be a party into which ex-Democrats and ex-Republicans, without regard to their political past, are to come in on an exact equality and to have each the same share in the party management."

Col. Roosevelt, "that enthusiasm and high principle which he has shown without organization and work. A great responsibility rests on you men here who are undertaking the organization of a new party, which is to stand for squared democracy, which is to be literally the party of the people."

He said that the federalists, numbering 700 men, under Gen. Blanco, occupied a place, called Ojita, near the ranch and have control of the country west and as far north as the line. There are also 500 federalists in San Luis, who are moving along the line and a little to the northwest of Ojita.

MOST OF STATES WILL HAVE THIRD TICKET

West Virginia, California and South Dakota the Only Exceptions.

Chicago, Ill., July 23.—Illinois politics were declared by Roosevelt leaders to have been won by the new party. Governor Deneen's announcement yesterday that he would not adhere to the third party movement in the coming year, was a blow to the party.

On the basis of governor Deneen's statement, a committee which went to Springfield to question him, senator Dixon, Col. Roosevelt's manager, said that the party was not yet organized.

"That puts the governor out of the progressive party and a full third party state ticket will be put out in Illinois with a candidate for governor friendly to Col. Roosevelt."

"Every state in the country, possibly with the exception of South Carolina, will in effect have a third ticket. West Virginia, California, and South Dakota will have a second ticket, but will support Roosevelt, because they went over in a body for him. In other words, they will put out an independent ticket."

Senator Dixon said that almost all the states will have a third ticket for the coming year. He said that the party was not yet organized, but that it was a matter of time.

VAN HISE TALKED IN NONPARTISAN VEIN

Saw Wilson and Roosevelt on the Trust Question; No Politics.

New York, N. Y., July 23.—Charles R. Van Hise, president of the National Association of Manufacturers, today gave out the following statement yesterday:

"Since my visit to governor Wilson and his cabinet, I have been given a political interpretation by some newspapers. I furnish the facts. For a long time I have been a student of the problem as a scientific one. It was this problem that I discussed with governor Wilson and Col. Roosevelt. I gave to them the best statements of the trust situation in this country that I and more cool heads could make. I am equally ready to perform a like function for president Taft, or any other president, if he asks me to do so, regardless of party. My interest in the problem of the trusts is purely scientific.
